- 1. The purpose of this modification is extend the period of performance of the contract pursuant to Article 2,

 OPTIONS TO EXTEND THE TERM OF THE CONTRACT, and establish the price schedule for contract year
 seven (June 30, 2004 through June 29, 2005). This modification also incorporates changes to the terms and
 conditions pertaining to the cleaning and final release of railcars, cleaning standards for lidded gondola railcars,
 shipment of containers in boxcars, clarifies the conditions for use of gondola railcars for conveyance of containers
 other than bulk containers, and incorporates FAR 52.229-4 in consideration for the revised pricing schedule
 contained herein.
- 2. a. Pursuant to the provisions of Article 2, <u>OPTIONS TO EXTEND THE TERM OF THE CONTRACT</u>, the Government is hereby exercising its unilateral option (Option Period 2) for a period of four (4) years commencing on the completion date of option period one. This modification constitutes the written notice required by paragraph (a) of Article 2.
 - b. As a result of the above, the period of performance of this contract is revised as follows:

From: June 30, 1998 through June 29, 2004

To: June 30, 1998 through June 29, 2008

Modification M013 Contract DE-AM24-98-OH20053 Page 4 of 4

- 4. a. A sole-use cleaning standard IAW 49 CFR 173.443d will be applied to all lidded gondola cars being returned to the waste generator unless cleaning for unlimited release (Item 0008) is ordered.
 - b. Shipments of lined containers by rail (Items 0003, 0005, and 0007) includes containerized shipments in boxcars. However, containers not specifically designed to be handled with forklift equipment (i.e.; drums) that are shipped in boxcars must be palletized.
 - c. Shipments of lined containers by rail (Items 0003, 0005, and 0007) do not include containerized shipments in gondola cars. Arrangements for such shipments may be authorized as a unique delivery order term pursuant to paragraph 2.e. of modification M009 of the contract.
 - d. Item 0008 of Article 6, <u>RECEIPT</u>, <u>OFFLOAD FOR DISPOSAL</u>, <u>AND RELEASE FOR RETURN</u>, is revised as follows:

From:

0008	Final Cleaning of Railcars for Unlimited Release	5 Days	The Contractor shall be responsible for final
			cleaning of a maximum of 75 railcars in any 30
* .			day period.

To:

8000	Final Cleaning of Railcars for Unlimited Release	15 Days (Inclusive of the time allowed for disposal as	The Contractor shall be responsible for final
		specified elsewhere in this Article 6)	cleaning of a maximum of 75 railcars in any 30 day period.

e. The contractor's obligation for the final cleaning of railcars for unlimited release (Item 0008) is limited as follows. If, after initial cleaning, verification smears indicate that remaining contamination exceeds the following standards,

Fixed Alpha: 500 dpm/100 cm2 Fixed Beta: 5000 dpm/100 cm2 Removable Alpha: 200 dpm/100cm2 Removable Beta: 2000 dpm/100cm2

the contractor will provide the Government a written estimate of the cost to complete the cleaning IAW USNRC Reg. Guide 1.86 as specified in modification M007 to the contract. The Government may, at its option, authorize the contractor to complete the additional cleaning at a cost to be determined by mutual agreement, or direct the contractor to return the railcar without additional cost to the Government.

- f. Contract clause 52.229-4, Federal State, and Local Taxes (State and Local Adjustments) (April 2003) is hereby incorporated into the contract effective on the date of this modification.
- 5. All other terms and conditions of the contract, as amended, are unchanged and remain in full force and effect.
